

COLORADO YOUNG FARMERS EDUCATIONAL ASSOCIATION

BUSINESS SPONSORSHIP OPPORTUNITIES

The Colorado Young Farmers Educational Association (CYFEA) would like to invite you to engage with our statewide non-profit organization, allowing for a productive new year for our organization and its Chapter membership in the coming year!

For almost 50 years, the CYFEA has been a vital advocate in the areas of agricultural education and outreach, which are vital to keeping the industry vibrant and growing in our state. The CYFEA operates as a non-profit, non-political, member driven organization, whose mission is to provide support and resources for its local Chapters. We help to strengthen agricultural education, leadership, and advocacy, both locally and statewide. Growth opportunities, both personally and professionally, are developed and encouraged, in addition to creating a stronger sense of community service and involvement.

The Colorado Young Farmers Educational Association wants to extend the invitation to you to partner with us to help us administer to and maintain our important agricultural education and outreach mission throughout the coming year. We feel that the CYFEA Chapter membership holds many of Colorado's future agricultural industry advocates and leaders within its membership!

*Your organization will receive full recognition for your contribution on the CYFEA website, in our quarterly Young Farmer newsletters, and in any other media or promotional material and events throughout the year. **Your sponsorship donation is fully tax deductible as a charitable contribution, when made out to the: CYFE Foundation.** Please use the CYFEA's Business Sponsorship form and mail or email it back to: CYFEA P.O. Box 234, Fountain, CO 80817.*

Thank you in advance for your willingness to partner with us and help the CYFEA educate and promote agricultural advocacy and leadership locally and statewide. Your support and assistance are greatly appreciated!
