

COLORADO YOUNG FARMERS EDUCATIONAL ASSOCIATION (CYFEA) BUSINESS SPONSORSHIP OPTIONS

The Colorado Young Farmers Educational Association (CYFEA) is a non-profit organization founded in 1969, grown out of the vision of the then Colorado Association of Young Farmer membership, statewide post-secondary education institutions, high school and college vocational Ag educators, among other interested Colorado agriculturalists. The CYFEA was formed as a non-political organization, of men and women who were directly involved or interested in agriculture, to help promote effective adult Ag education, sustain statewide agri-business and industry, along with leadership development and fostering cooperative relationships between producers and consumers.

The CYFEA mission is to provide support and resources for its local Chapters in order to help develop and strengthen their education, leadership and agricultural advocacy statewide. The CYFEA provides opportunities for its membership to grow, both personally and professionally, beyond their own local Chapters and communities.

Individual Memberships (annually):

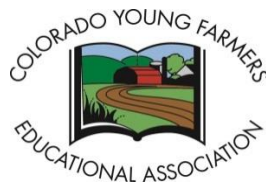

- Friends of Ag Member \$100
- CYFEA Chapter Member \$75
