

The Colorado Young Farmers Educational Association (CYFEA) would like to invite you to engage with our statewide non-profit organization! Please consider advertising your business in the CYFEA's CO Young Farmer newsletter, which is published three times per year and available in hard copy as well as electronically. Each issue is made available to our Chapter membership, along with our agricultural partners, CYFEA supporters, and farmers and ranchers statewide. It can be viewed and downloaded as well, on this website.

We feel that the CYFEA CO Young Farmer newsletter's readers are some of Colorado's current and future agricultural industry leaders and advocates! We hope that you will choose to advertise your business in all three of our issues, which will provide you with the best value and exposure.
